

HOW TO UPLOAD PHOTOS TO THE PHOTO GALLERY

Click the "Home" icon

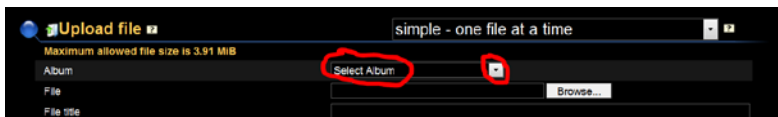

Click the Upload File link

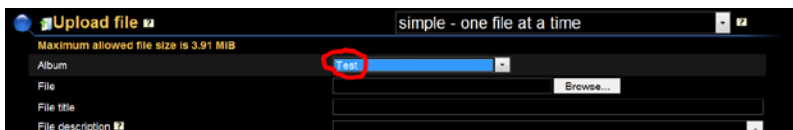

Select "Simple" from the down-down menu

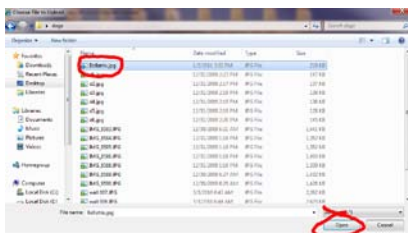

From the Select Album drop-down menu select the web album you wish to place it in

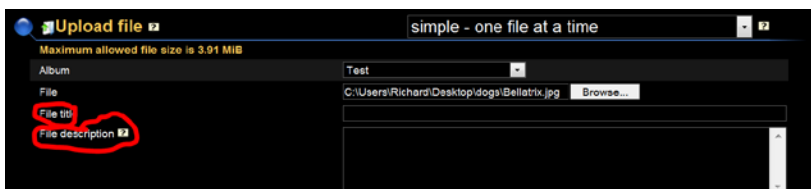

I used the "Test" album for this example

Click the "Browse" button to select a photo from your HD

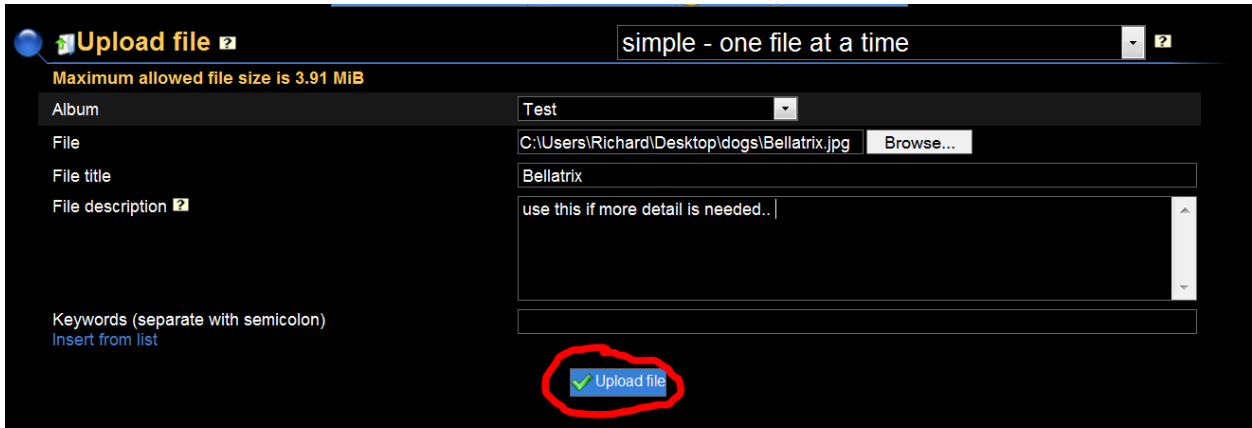

Add a File Title (try to always do this) and a Description if needed

Upload the File

View Album
